chat for ORR on a quote  
 basis! only where we have  
 a man who desperately wants  
 such experience. Good meat for  
 OCI. maybe two years from now  
 we could "plan" to fit in, G.B.

This appears to me to be something  
 for the future - we have  
 him out now and are  
 committed internally to  
 him. I am well  
 on personnel. Done
